

# Our King Has Come

## Elevation Worship

Image of God  
Who walked with us  
Took our sorrows  
Carried our cross  
You were broken  
Death for life  
Love has spoken  
Opened our eyes

Now we can see  
Now we believe  
Your love has made a way

Our King has come  
So let us sing  
Salvation's song  
Of victory  
He is alive and we are free

He is alive and we have found our peace  
Our King has come

Risen Saviour  
Son of God  
Brought redemption  
Covered our lives

Christ reigns  
Christ reigns  
Our God has conquered the grave
