

Standing

Elevation Worship

This is our hope
This is our peace
Faithful is our God

He will come through
He won't be moved
Faithful is our God

This is our strength
This is our shield
Faithful is our God

He cannot fail
He will prevail
Faithful is our God

Oh, yes we are standing
'Cause the enemy's defeated
We'll always be standing
On the promises of Jesus

Lifting our eyes
Won is the night
Faithful is our God

His enemies
Under our feet
Faithful is our God

Oh, yes we are standing
'Cause the enemy's defeated
We'll always be standing
On the promises of Jesus

Yes
My soul says yes to Your promises
My soul says yes

Yes
My soul says yes
My soul says yes to Your promises

Yes
My soul says yes to Your promises
My soul says yes

Yes
My soul says yes
My soul says yes to Your promises

Oh, yes we are standing
'Cause the enemy's defeated
We'll always be standing
On the promises of Jesus

Oh, yes we are standing
'Cause the enemy's defeated

We'll always be standing
On the promises of Jesus
