Standing

Elevation Worship

This is our hope This is our peace Faithful is our God

He will come through He won't be moved Faithful is our God

This is our strength This is our shield Faithful is our God

He cannot fail
He will prevail
Faithful is our God

Oh, yes we are standing 'Cause the enemy's defeated We'll always be standing On the promises of Jesus

Lifting our eyes Won is the night Faithful is our God

His enemies
Under our feet
Faithful is our God

Oh, yes we are standing 'Cause the enemy's defeated We'll always be standing On the promises of Jesus

Yes

My soul says yes to Your promises My soul says yes

Yes

My soul says yes
My soul says yes to Your promises

Yes

My soul says yes to Your promises My soul says yes

Yes

My soul says yes
My soul says yes to Your promises

Oh, yes we are standing 'Cause the enemy's defeated We'll always be standing On the promises of Jesus

Oh, yes we are standing 'Cause the enemy's defeated

We'll always be standing On the promises of Jesus
