

# Uncontainable Love

## Elevation Worship

I was going down, thought it was for the count  
But then I found Your love  
I'd wandered off, thought I ain't gone too far  
There I found Your love

The fear I used to know, can't tie me anymore  
'Cause I found Your love  
When I feel alone, I have a place to go  
'Cause I found Your love!

Great, was the debt of sin  
Grace, bought me back again  
Now, I am rising up  
Won, by the Saviour's love

Your love, is higher than the stars  
Declaring who You are  
Your love, uncontainable

Your love, is deep enough to reach  
The deepest part of me  
Your love, uncontainable  
Your love...

The fear I used to know, can't tie me anymore  
'Cause I found Your love  
When I feel alone, I have a place to go  
'Cause I found Your love!

Great, was the debt of sin  
Grace, bought me back again  
Now, I am rising up  
Won, by the Saviour's love

Your love, is higher than the stars  
Declaring who You are  
Your love, uncontainable

Your love, is deep enough to reach  
The deepest part of me  
Your love, uncontainable  
Your love...

Nothing, no nothing contains Your love  
Nothing, no nothing can change Your love  
Nothing, no nothing contains Your love  
Nothing, no nothing can change Your love

Nothing, no nothing contains Your love  
Nothing, no nothing can change Your love  
Nothing, no nothing can contains Your love  
Nothing, no nothing can change...

Your love, is higher than the stars  
Declaring who You are  
Your love, uncontainable

Your love, is deep enough to reach  
The deepest part of me  
Your love, uncontainable

Your love, is higher than the stars  
Declaring who You are  
Your love, uncontainable

Your love, is deep enough to reach  
The deepest part of me  
Your love, uncontainable  
Your love...

Nothing, no nothing contains Your love  
Nothing, no nothing can change Your love  
Nothing, no nothing contains Your love  
Nothing, no nothing can change Your love!
