

With You

Elevation Worship

Beneath the surface
Of my anxious imagination
Beckons a calmness
That is found in You alone

It washes over
Every doubt, every imperfection
Jesus, Your presence
Is the comfort of my soul

There's nowhere I'd rather be
When You're singing over me
I just wanna be here with You
I'm lost in Your mystery
I'm found in Your love for me
I just wanna be here with You

Here in the waiting
I won't worry about tomorrow
No need to focus
On the things I can't control

All my attention
On the wonder of this moment
Jesus, your presence
Is the comfort of my soul

There's nowhere I'd rather be
When You're singing over me
I just wanna be here with You
I'm lost in Your mystery
I'm found in Your love for me
I just wanna be here with You

So let all that I am
Be consumed with who You are
All the glory of Your presence
What more could I ask for?

So let all that I am
Be consumed with who You are
All the glory of Your presence
What more could I ask for?

So let all that I am
Be consumed with who You are
All the glory of Your presence
What more could I ask for?

There's nowhere I'd rather be
When You're singing over me
I just wanna be here with You
I'm lost in Your mystery
I'm found in Your love for me
I just wanna be here with You
