

You Reign Alone

Elevation Worship

There is no one greater than You
All our praise belongs to You
Holy in power, faithful and true
There is none like You

There is no one stronger than You
Sin forever conquered by You
Fearless in life, faithful in death
There is none like You

Lord You reign, You reign alone
Exalted over all the earth enthroned
The majesty and greatness of Your name
Let all creation sing Lord You reign

There is none more loving than You
Near to all who call out to You
Your mercies anew, You're faithful and true
There is none like You

Lord You reign, You reign alone
Exalted over all the earth enthroned
The majesty and greatness of Your name
Let all creation sing Lord You reign

No one is higher than the King above all nations
No one is like You God
The name of Jesus is higher than any other
No one is like You God

No one is higher than the King above all nations
No one is like You God
The name of Jesus is higher than any other
No one is like You God

Lord You reign, You reign alone
Exalted over all the earth enthroned
The majesty and greatness of Your name
Let all creation sing Lord You reign

Lord You reign, You reign alone
Exalted over all the earth enthroned
The majesty and greatness of Your name
Let all creation sing Lord You reign

Let all creation sing Lord You reign
Let all creation sing Lord You reign
