- I was the one who condemned him to die,
- I was one of them who blasphemed his name,
- I was the one who laughed when I saw evil on the Earth,
- I thought I was strong and that others didn't matter.
- When I saw the place I was blindly headed, Fear gripped my soul

I saw that hell existed! But when I hear your name, a door open ed to heaven.

I saw that heaven existed! I want to live there forever. With your life is easier. I know you are always close when I ne

ed you. You are mightier than Lucifer the liar. Many souls are still in prison,

Only you give true freedom.
