

## 7th Grade

Eli Lieb

I remember 7th grade  
Always wanting to fade away  
I couldn't take the pressure  
10 years later, still a mess  
I made mistakes, had some regrets  
And I know I'd fall again

And that's before I had Instagram  
Reading all your comments, going insane  
Now every time I look into the mirror  
All I see is the monster that you made  
Can we all just relax and get a little kinder  
To ourselves and to each other?  
Can we all just relax and get a little softer  
And be there for each other?

I'll lift you up if you lift me up  
And I won't let go if you don't let go  
So don't let go and I won't let go  
I'll lift you up if you lift me up  
And I won't let go if you don't let go  
So don't let go and I won't let go

What if I didn't judge my body  
The way that you judge my body?  
Maybe I could start again  
And see myself in the mirror  
The way my boyfriend always sees me  
Yeah, a perfect 10

And go back before I had Instagram  
Reading all your comments, going insane  
Now every time I look into the mirror  
I feel a little bit stronger each day  
Can we all just relax and get a little kinder  
To ourselves and to each other?  
Can we all just relax and get a little softer  
And be there for each other?

I'll lift you up if you lift me up  
And I won't let go if you don't let go  
So don't let go and I won't let go  
I'll lift you up if you lift me up  
And I won't let go if you don't let go  
So don't let go and I won't let go

(And I won't let go)  
Can we all just relax?  
(And I won't let go)  
And be there for each other  
Can we all just relax? (Don't let go)  
And be there for each other

I'll lift you up if you lift me up  
And I won't let go if you don't let go (And I won't let go)  
So don't let go and I won't let go  
I'll lift you up if you lift me up

And I won't let go if you don't let go  
So don't let go and I won't let go
