

Try

Eli Lieb

Ever wonder about what he's doing?
How it all turn to lies?
Sometimes I think that it's better
To never ask why

Where there is desire,
there is gonna be a flame
Where there is a flame,
someone's about to get burned
But just because it burns
doesn't mean you're gonna die
You've gotta get up and try, try, try
Gotta get up and try, try, try
You gotta get up and try, and try, and try

Funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy?
Even when it's not right

Where there is desire,
there is gonna be a flame
Where there is a flame,
someone's about to get burned
But just because it burns
doesn't mean you're gonna die
You've gotta get up and try, try, try
Gotta get up and try, try, try
You gotta get up and try, and try, and try

Ever worried that it might be ruined?
And does it make you wanna cry?
When you're out there doing, what you're doing
Are you just getting by?
Tell me are you just getting by, by, by?

Where there is desire,
there is gonna be a flame
Where there is a flame,
someone's about to get burned
But just because it burns
doesn't mean you're gonna die
You've gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try

You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
