

## Stars Fell on Alabama

Ella Fitzgerald

We lived our little drama, we kissed in a field of white  
And stars fell on Alabama last night  
I can't forget the glamor, your eyes held a tender light  
And stars fell on Alabama last night

I never planned in my imagination a situation so heavenly  
A fairy land where no one else could enter  
And in the center, just you and me  
My heart beat like a hammer, my arms wound around you tight  
And stars fell on Alabama last night

I never planned in my imagination a situation so heavenly  
A fairy land where no one else could enter  
In the center, just you and me  
My heart beat like a hammer, my arms wound around you tight  
And stars fell on Alabama last night
