ELLEGARDEN

When I am someone you have never seen
That is just too bad for your eyes
When I am someone you have never felt
I'm too bad for your touch

I'm standing here looking for chicks
Looking for chicks who will take me
My credit cards are all expired
Looking for chicks who say, "I will pay it"

You said that I'm wrong, but I know I am not
You said that I'm wrong, but I know I am not
You said that I'm wrong, but I know I am not
You said that I'm wrong, there's no way I can be

When I am someone you have never kissed
That is just too bad for you lips
When I am someone you have never loved
Oh, thats too bad for you, bitch

I'm standing here looking for chicks
Looking for chicks who can take me
My credit cards are all expired
Looking for chicks who say, "I will pay it"

You said that I'm wrong, but I know I am not
You said that I'm wrong, but I know I am not
You said that I'm wrong, but I know I am not
You said that I'm wrong, there's no way I can be
I'm not I'm not There's no way I can be
I'm not I'm not There's no way I can be
