

# Love I'm Given

Ellie Goulding

I'm alive  
I know my heart is beating but my head's in the sky  
I found a different meaning since you came in my life  
Now all of time is standing still, shining so bright  
Deer in headlights  
I know I did wrong  
I used to think that I was so invincible  
I tore myself to pieces, had to put on a show  
You put me back together and it feels like home  
It feels like home

And I'm trying to make the most of my mistakes  
If you were me, I know you'd do the same thing  
But some things in my past I cannot change  
But I can change

And maybe I'm paying for the things I've done  
And maybe I'm paying for the ones I've hurt  
But I feel a change in the love I'm given  
I'm turning the page on my indecision  
And maybe you'll stay if I overcome  
The highs and the lows of the rising sun  
But I feel a change in the love I'm given  
I'm turning the page now, am I forgiven?

I'm still on fire  
From all the times I tried to climb higher and higher  
But you put me in the water, now I drown in desire  
For all the things you make me feel  
You make me feel better  
You make me feel better, oh

And I'm trying to make the most of my mistakes  
If you were me, I know you'd do the same thing  
But some things in my past I cannot change  
But I can change

And maybe I'm paying for the things I've done  
And maybe I'm paying for the ones I've hurt  
But I feel a change in the love I'm given  
I'm turning the page on my indecision  
And maybe you'll stay if I overcome  
The highs and the lows of the rising sun  
But I feel a change in the love I'm given  
I'm turning the page now, am I forgiven?

Yeah, I feel a change in the love I'm given  
Yeah, I feel a change in the love I'm given  
Yeah, I feel a change in the love I'm given  
Yeah, I feel a change in the love I'm given

And maybe I'm paying for the things I've done  
And maybe I'm paying for the ones I've hurt  
But I feel a change in the love I'm given  
I'm turning the page on my indecision  
(Oh, the love I'm given)  
And maybe you'll stay if I overcome

(The love I'm given)  
The highs and the lows of the rising sun  
(The love I'm given)  
But I feel a change in the love I'm given  
All the love, all the love, the love I'm given

Yeah, I feel a change in the love I'm given (Change)  
Yeah, I feel a change in the love I'm given (Changing)  
Yeah, I feel a change in the love I'm given (I feel it changing)  
Yeah, I feel a change in the love I'm given (Change)

Oh, I feel a change  
In the love I'm given  
(Change)  
(Change)  
(Change)
