Under The Sheets

Ellie Goulding

Like all the boys before, like all the boys, boys, boys(x2)

You left your blood stain on the floor You set your sights on him You left a hand print on the door, Like all the boys before, like all the boys before (boys boys boys)

This is our luck, baby, running out Her clothes were never off We still have hours to run about To scale the map, scale the map, to get us back on track I've seen you in a fight you lost, Ive seen you in a fii-ii-ii-ii-ght

Were under the sheets and you're killing me In our house made of paper, your words all over me Were under the sheets and you're killin' me

Like all the boys before, like all the boys, boys, boys(x2)

In here the world wont bring us down Our plan is golden Out there a lonely girl could drown In here were frozen

Where did the people go? My hands are empty You're not the answer I should know Like all the boys before, like all the boys before (whoa, whoa, whoa,)

Were under the sheets and you're killing me In our house made of paper, your words all over me Were under the sheets and you're killin' me

Were in a mess baby, were in a mess babe Your more is less babe (oh, oh) Were in a mess baby, were in a mess babe Your more is less babe (oh, oh!)

(chorus)were under the sheets and you're killin me In our house made of paper, and you're words all over me We're under the sheets and your killin' me (Ive seen you in a fight you lost) Like all the boys before, like all the boys before Were under the sheets and your killing me Our house full of paper and you're words all over me Were under the sheets and youre killing me (oh you're killin me, your killin me!!)

Were under the sheets and you're killing me In our house made of paper, your words all over me Were under the sheets and you're killin me (killin me, killin me, killin me) Killin me, killin me, killin me
