

# Love Broke Through

Ellie Holcomb

To You, oh, Lord, my heart cried out for mercy  
And beautiful the day that You heard me  
Oh, how you heard me  
You took my tears and You took my pain  
And covered them with grace

Your love has called me out  
Out of my sorrow  
Out of my broken places  
Hope has been renewed  
Because there in the darkness  
Love broke through

Now my heart will sing and not be silenced  
For how could I contain the joy that You've given  
Oh, how You've given  
You took my fears  
You took my shame  
And gave me a new name

Your love has called me out  
Out of my sorrow  
Out of my broken places  
Hope has been renewed  
'Cause there in the darkness  
Love broke through

You gave us hope  
When hope was lost  
You came and died  
Upon a cross  
So we could know that we are not alone  
God with us, God with us  
He will never let us go

You gave us hope  
When hope was lost  
You came and died  
Upon a cross  
So we could know that we are not alone  
God with us, God with us  
He will never let us go

Your love has called me out  
Out of my sorrow  
Out of my broken places  
Hope has been renewed  
Cause there on the cross  
Your love broke through
