

The Sun is Shining

Elmore James

The sun is shinin, although it's raining in my heart,
The sun is shinin, although it's raining in my heart,
You know I love you baby, ahhh,
But the best of friend must part.

My baby left me this mornin, ahhh,
And didn't even, ahhh, say goodbye,
My baby left me this mornin,
No, she didn't even, ahh, she didn't even say goodbye, ahhh
She said she wa'n't gonna leave me, ahhh,
But she told poor me a lie.

I had a dream, I had a dream one rainy night, ah,
Ah, I had a dream, I had a dream one rainy night, ah,
Went out, when I found my baby, ahh,
She told me, "Daddy everything was alright."
Ahh.
