

# Don't Ask Me Why

Elvis Presley

I'll go on loving you  
Don't ask me why  
Don't know what else to do  
Don't ask me why

How sad my heart would be  
If you should go  
Though you're not good for me  
I want you so

It's not the kind  
Of love I dream about  
But it's the kind  
That I can't live without

You're all I'm longing for  
Don't say good-bye  
I need you more and more  
Don't ask me why  
I need you more and more  
Don't ask me why
