It's Your Baby You Rock It

Elvis Presley

You offered me a penny for my thoughts And I told you then that woman won't stay caught But you turned and loved her anyway She broke your heart and all I've got to say

It's your baby, you rock it It's your heartache, you bought it You made the bed your sleeping in And I'm tired of hearing about it friend It's your baby you, rock it

Well you cried upon my shoulder like a baby I'm sorry 'bout your troubles and your lady But she done you like she done me And I've used up all my sympathy It's your baby you, rock it

It's your baby, you rock it It's your heartache, you bought it You made the bed your sleeping in And I'm tired of hearing about it friend It's your baby you, rock it
