

Can't Tell My Friends

Elysian Fields

Hey stop motion I'm caught in the door I've loved you before I've loved you before Vampire lotion Got no defense I can't tell my friends I can't tell my friends Underground holds you down The secret which you never itch So you keep going back there To make that mistake Or is it love that keeps you awake Hey stop motion I'm caught in the door I've loved you before I've loved you before Vampire looker gettin me high I can't tell you why I can't tell you why Water rats and alley cats Below the chain link fence Left the scent You flip the combination As if it would change Naturally, You're in point blank range Point blank range Hey stop motion I'm caught in the door I've loved you before I've loved you before Who's that looker gettin me high I can't tell you why I can't tell you why Hey stop motion I'm caught in the door I've loved you before I've loved you before Whose hot habit got you at ends I can't tell my friends Can't tell my friends
