

## Misunderstood

Elysian Fields

When I take an interest  
Don't call it a hobby  
My mouth is clairvoyant  
So you'd better absolve me  
Can't you see baby  
You don't understand me  
Cause I'm misunderstood  
Don't tangle your britches  
When dealing with witches  
We're just misunderstood  
Misunderstood  
They say I've got tough love  
But I can be tender  
So thankless, tough love  
If it's broke, I can mend her  
Can't you see baby  
You don't understand me  
Cause I'm misunderstood  
Don't tangle your britches

When dealing with witches  
We're just misunderstood  
Misunderstood  
When measuring potions  
It's all about doses  
Too much can be poison  
Inducing psychosis  
Can't you see baby  
You don't understand me  
Cause I'm misunderstood  
Don't tangle your britches  
When dealing with witches  
We're just misunderstood  
Misunderstood  
Misunderstood  
Misunderstood  
Misunderstood  
Mis-mis-mis-understood  
Mis-mis-mis-understood  
Mis-mis-mis-understood  
Mis-mis-mis-understood
