

Temptation

Emigrate

Don't you ever feel you're sorry
Don't you ever wish the sky could open up
All I do is going nowhere
And I want to go back home
Don't you know that you're so special
Don't you ever cloud your thoughts like falling rain
Wonder if I'm going somewhere
Still I gotta get back home

Temptation
Leading me astray
Frustration
A time will come to pay

Don't you want to know my story
Guess I could explain it if I tried
I don't want to keep expanding
And I'm sorry that I lied

Temptation
Leading me astray
Frustration
A time will come to pay

Don't you want to make me over
Don't you feel that everything's a test
Want to disappear inside you
Because that's home I feel the best

Temptation
Leading me astray
Frustration
A time will come to pay
