

Quiet Night

Emil Bulls

Please let me sleep right
Now just for tonight
It's cold but I sweat
I can't escape the
Last day I'm wasting away
All thoughts are full of dismay

Oh please, switch off the light
'Cause I wanna sleep quiet and deep
I wanna keep
Out of my bed
I wanna conclude right now oh, oh, oh
I'm ready to retire

I've had enough now
I'm sick and tired of all I love
Tired of sex tired of alcohol
My best friends seem so strange
I've got to get myself rearranged

Oh please, switch off the light
'cause I wanna sleep quiet and deep
I wanna keep
Out of my bed
I wanna conclude right now oh, oh, oh
I'm ready to retire

Oh please, switch off the light
'cause I wanna sleep quiet and deep
I wanna keep
Out of my bed
I wanna conclude right now oh, oh, oh
I'm ready to retire

Last day won't let go again
