

We Don't Believe In Ifs

Emil Bulls

If life was a trumped-up-story
We'd be cowboys or rockstars
we could stage our own legend
And then emigrate to mars
If fiction was our guide we could live gunslinger style
Thank god we don't believe in ifs
Cause if we would we'd die like Billy the Kid
Like the raindrop becomes a river and the river becomes
an ocean

We all still don't give a fuck
Everybody sing
We all still don't give a fuck
Come on
We all still don't give a fuck
Everybody sing
We all don't believe in ifs
Damn right

If we'd change everything we are
We all could be superstars
If we wouldn't need a good advice
We'd let the dice decide
If we'd drink alcohol all day we could write like
Hemingway
Thank god we we don't believe in ifs
Cause if we would we'd die like Bon Scott did
Like the raindrop becomes a river and the river becomes
an ocean

We all still don't give a fuck
...

We don't give a fuck
We don't give a fuck
We don't give a fuck
Say what
Say what
Say what
We don't give a fuck
We don't give a fuck
We don't give a fuck
Say what
Say what
Say what

Like the raindrop becomes a river and the river becomes
an ocean

We all still don't give a fuck
