

True Colors

Emily West

You with the sad eyes
Don't be discouraged, oh I realize it's
Hard to take courage
In a world full of people
You can lose sight of it all and the darkness oh inside you makes you
feel so small

But I see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid
To let them show
Your true colors
True colors are beautiful like a rainbow

Show me a smile then
And don't be unhappy can't remember when I
Last saw you laughing
If world makes you crazy and you've taken all you can bear
You call me up, because you know I'll be there

And I see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid
To let them show
Your true colors
True colors are beautiful like a rainbow

And I can't remember when I last saw you laughing
If world makes you crazy and you've taken all you can bear
You call me up, because you know I'll be there

And I see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid
To let them show
Your true colors
True colors
True colors are shining through

I see your true colors and that's why I love you
So don't be afraid
To let them show
Your true colors
True colors are beautiful

Like a rainbow
