

Taste The Feeling

Emma Drobná

It feels good, in my heart, in my soul
When you're right here beside me
I don't ever want this day to end
Mmm, we can watch the wave, have a Coke
And you sit here beside me
Take a little of my heart again

So we can feel, forever
You feel, together, be real, together
No one can stop me when I taste the feeling
Nothing could ever bring me down
No one can stop me when I taste the feeling
Nothing could ever bring me down

You make it easier to sing it
You make it easier to sing it
You make it easier to sing it
You make it easier to sing it

It feels good as we stand on the shore
And our hearts are jumping
Grab another Coke and let's dive in
Oh, my love, there's a song in my soul
When you are around me
You make it easier to sing it

So we can feel, forever
You feel, together, be real, together
No one can stop me when I taste the feeling
Nothing could ever bring me down
No one can stop me when I taste the feeling
Nothing could ever bring me down

With every fading sunset
We see the stars all night
We make the simple moments last for a lifetime
So, we'll feel forever, feel forever
You and me, together, together
We can stay forever, stay forever
And be real together

No one can stop me when I taste the feeling
Nothing could ever bring me down (bring me down)
No one can stop me when I taste the feeling (taste the feeling)
Nothing could ever bring me down

You make it easier to sing it
You make it easier to sing it
You make it easier to sing it
You make it easier to sing it
