

Dance w Me

Emmy the Great

You're always asking me for it
You're always hustling me for it
Dance with me
Cause we'll be alone tomorrow
And you should get what you want tonight

We can make it till forever
Or the end of the line
But if we don't get there
We can try again next time
You've been waiting forever
I've been taking my time
But darling you should, darling you should
(Dance with me)
Darling you should, darling you should
(Dance with me)

You can't exist without fighting me
Oh I respect my enemy
Dance with me
Cause you should get what you want tonight

We can make it till forever
Or the end of the night
But if we don't get there
We can try again next time
You've been waiting forever

I've been taking my time
But darling you should, darling you should
(Dance with me)
Darling you should, darling you should
(Dance with me)
And so show up here
With everyone I know
With your baseball jacket
And the sleeves rolled up
You hold out your hand
Cause you're hustling, hustling me for my love
But darling you should, darling you should
Darling you should, darling you should

We can make it till forever
Or the end of the night
But if we don't get there
We can try again next time
You've been waiting forever
I've been taking my time
But darling you should, darling you should
(Dance with me)
Darling you should, darling you should
(Dance with me)
