Feelin' Single, Seein' Double

Emmylou Harris

Well I really had a ball last night I held all the pretty boys tight I was feelin' single, seein' double Wound up in a whole lotta trouble But today I'll face the big fight But I really had a ball last night When I came home from work this morning My baby was feelin' low And he told me what was on his mind Then he told me where I could go Well I didn't go where he told me to Cause the water was cold in the lake Now there's something fishy 'bout this whole deal I don't see where I made my mistake Well I really had a ball last night I held all the pretty boys tight

I was feelin' single, seein' double Wound up in a whole lotta trouble But today I'll face the big fight But I really had a ball last night

When I woke up this morning
Like me, the sun was high
Well I started walking the long way home
Just to think of an alibi
Well I couldn't think of a darn gawn thing
That hadn't already been said
So I guess I better just play it by ear
Cause I'm already dead
Well I really had a ball last night
I held all the pretty boys tight

I was feelin' single, seein' double Wound up in a whole lotta trouble But today I'll face the big fight But I really had a ball last night Yes today I'll face the big fight But I really had a ball last night
