## **Green Pastures**

## **Emmylou Harris**

Troubles and trials often betray those
On in the weary body to stray
But we shall walk beside the still waters
With the good shepherd leading the way

Those who have strayed were sought by the master He who once gave his life for the sheep Out on the mountain still he is searching Bringing them in forever to keep

Going up home to live in green pastures Where we shall live and die never more Even the lord will be in that number When we shall reach that heavenly shore

We will not heed the voice of the stranger For he would lead us all to despair Following on with jesus our savior We shall all reach that country so fair

Going up home to live in green pastures Where we shall live and die never more Even the lord will be in that number When we shall reach that heavenly shore
