How High the Moon

Emmylou Harris

Somewhere there's music, how faint the tune Somewhere there's heaven, how high the moon There is no moon above and love is far away too 'Till it comes true that you love me and I love you

Somewhere there's music, how near, how far Somewhere there's heaven that's where you are The darkest night would shine if you would come to me soon Until you will, I'll still, my heart, how high the moon

Somewhere there's music, how faint the tune Somewhere there's heaven, how high the moon The darkest night would shine if you would come to me soon Until you will, I'll still, my heart, how high the moon

The darkest night would shine if you would come to me soon Until you will, I'll still, my heart, how high the moon
