

# Never Be Anyone Else But You

Emmylou Harris

There'll never be anyone else  
But you for me  
Never ever be, just couldn't be  
Anyone else but you

If I could take my pick of all  
The boys I've ever known  
Then I'd come and pick you out  
To be my very own

There'll never be anyone else  
But you for me  
Never ever be, just couldn't be  
Anyone else but you

A heart that's true and longs for you  
Is all I have to give  
All my love belongs to you  
As long as I may live

There'll never be anyone else  
But you for me  
Never ever be, just couldn't be  
Anyone else but you

Never will forget the way you kissed me  
And when we're not together  
I wonder if you miss me

For I hope and pray the day will come  
When you'll belong to me  
Then I'm gonna prove to you  
How true my love can be

There'll never be anyone else  
But you for me  
Never ever be, just couldn't be  
Anyone else but you

Never ever be, just couldn't be  
Anyone else but you
