

# Ooh Las Vegas

Emmylou Harris

Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Every time I hit your crystal city  
You know you're gonna make a wreck outta me

The first time I lose I drink whiskey  
And the second time I lose I drink gin  
Third time I lose I drink anything  
'Cause I think I'm gonna win

Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Every time I hit your crystal city  
You know you're gonna make a wreck outta me

The Queen of spades is a friend of mine  
The Queen of hearts is a bitch  
Someday when I clean up my mind  
I'll find out which is a which

Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Every time I hit your crystal city  
You know you're gonna make a wreck outta me

Spend all night with the dealer  
Just tryin' to get ahead  
Spend all day at the Holiday Inn  
Just tryin' to get out of bed

Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Ooh, Las Vegas  
Ain't no place for a poor boy like me  
Every time I hit your crystal city  
You know you're gonna make a wreck outta me

Every time I hit your crystal city  
You know you're gonna make a wreck outta me  
Every time I hit your crystal city  
You know you're gonna make a wreck outta me
