(You Never Can Tell) C'est la Vie

Emmylou Harris

It was a teenage wedding And the old folks wished them well You could see that Pierre Did truly love the mademoiselle And now the young monsieur and madame Have rung the chapel bell "C'est la vie", say the old folks It goes to slow you never can tell They furnished off an apartment With a two room Roebuck sale The coolerator was crammed With T.V. dimmers and ginger ale But when Pierre found work The little money comin' worked out well "C'est la vie", say the old folks It goes to show you never can tell

They had a hi-fi phono
Boy did they let it blast
Seven hundred little records
All rockin' rhythm and jazz
But when the sun went down
The rapid tempo of the music fell
"C'est la vie", say the old folks
It goes to show you never can tell

they bought a souped-up jitney
T'was a cherry-red fifty nine
They drove it down to New Orleans
To celebrate their anniversary
It was there that Pierre
Was wedded to the lovely mad'moiselle
"C'est la vie", say the old folks
It goes to show you never can tell
