

Hard Times

Empires

Standing in the dead of night
Wishing for another time
Something tugging at my soul
I'm learning what the junkies know

Does anybody else know?
Does anybody else know?
Does anybody else know you like I do?

Does anybody else know?
Does anybody else know?
Does anybody else know you like I do?

Well, I found heaven in hard times
Well, I found a crazy place where it all hides
I lost sight of Gloria
She never lost sight of me
I'm gonna reach Gloria
She's holding her hand at me

You've got a little of the hard times, baby
Hard times, b-b-b-b-b-b-b-baby

I took a road off Main Street
Oh, something got a hold of me
I challenge all the ones I love
And it gave my heart a heavy rub

Does anybody else know?
Does anybody else know?
Does anybody else know you like I do?

Does anybody else know?
Does anybody else know?
Does anybody else know you like I do?

Oh, I found heaven in hard times
Oh, I found a crazy place where it all hides
I lost sight of Gloria
She never lost sight of me
I'm gonna reach Gloria
She's holding her hand at me

You've got a little of the hard times, baby
Hard times, b-b-b-b-b-b-b-baby

Oh, hard times, baby
Hard times, b-b-b-b-b-b-b-baby

I wanna see you
I wanna see you
I say I'll never leave you alone
I'll never leave you alone

Does anybody else know?
Does anybody else know?
Does anybody else know you like I?

Oh, I found heaven in hard times
Oh, I found a crazy place where it all hides
I lost sight of Gloria
She never lost sight of me
I'm gonna reach Gloria
She's holding her hand at me

(Gloria)
You've got a little of the hard times, baby
(I wanna see you)
Hard times, baby

You've got a little of the hard times, baby
Hard times, b-b-b-b-b-b-b-baby
