

# I'm Good

En Vogue

I made it all back down today  
Glad I can finally smile and say  
I'm good  
Feeling myself and I'm flirtin' with my reflection  
I'm good  
Lovin' every inch of my perfect imperfections  
I'm good  
My curves, my hair, my skin  
I'm queenin' up in here  
I'm...  
So good  
So good  
I'm good  
I don't need nobody's, validation  
I'm good  
Bad as they come  
And I ain't got time for wastin  
I'm good  
My mind, my heart, my soul  
I'm shining just like gold, I'm...  
So good  
So good  
So good  
Let's toast to the good life  
And to me and you  
Finally gettin' it right  
Heyyyyyy  
We've been through hell but  
It feels like heaven tonight  
Tonight  
The only cloud up in here  
Is rainin' goodbyes  
Byeee  
Ah ah  
Ah ahhh  
I have cried  
But I'm all cried out  
I have tried  
But I'm just good now, ehhhh  
But I know  
How it feels to be down at the bottom  
But I'm so good  
So good  
I'm so good  
So good  
Oooh  
I'm good  
Feeling myself and I'm flirtin with my reflection  
I'm good  
Lovin' every inch of my perfect imperfections  
I'm good  
My curves, my hair, my skin  
I'm queenin' up in here,  
I'm...  
So good  
So good  
I'm not gonna go back

Cause I feel too good  
Don't be doing bad  
Ooooh  
And if you have your will  
You can stay over there with that  
Even an energy cling  
Hope you over stand  
Aaaaah  
Ooooh  
I have cried  
But I'm all cried out  
I have tried  
Oooh  
I'm just good now  
Yeahhhh  
But I know  
How it feels to be down at the bottom  
But I'm so good  
So good  
I'm so good, yah  
So good  
Oooh, yeahhh  
I'm good  
Feelin' myself and I'm flirtin' with my reflection  
I'm good  
Lovin' every inch of my perfect imperfections  
I'm good  
My curves, my hair, my skin  
I'm queenin' up in here  
I'm...  
So good  
So good  
So good
