

So Serious

En Vogue

This is a man's world, ha, so they say...

Why you tryna break down walls without me?

Why you tryna move at all without me?

Don't you know you won't get very far without me?

You know you'll never rule the world without me, indeed

So serious, you got this

So serious, won't quit

So serious, you got this

So serious, we don't quit

How you gonna bring new life without me?

And the world just can't survive without me

Together we can but you shouldn't lose without me

You sure you wanna make that move without me, indeed?

So serious, you got this

So serious, won't quit

So serious, we got this

So serious, we won't quit

Why you tryna fight this war without me?

You know you can't stand as tall without me

Now don't you know you just can't fight 'em all without me?

Don't benefit to rise or fall without me, indeed

Ooh, so serious, you got this

So serious, we don't quit

Ooh, so serious, you got this

So serious, we don't quit
