

# Whatever

En Vogue

I'm wanting you too much  
Don't take advantage of my tender heart  
And everything about me  
In giving you my trust  
I'm giving you my love  
So do take care  
Please be gentle with my heart

Ah, Ah, Ah  
Cause everything I do is about you baby  
Ah, Ah, Ah  
I don't want to ever be apart  
Ah, Ah, Ah  
I've been loving you from the start  
Here's my hand, here's my heart  
Everything I do is all about you baby

Whatever you do  
Whatever you think  
I look in your eyes  
You don't know how my heartaches  
Whatever you say  
Whatever could mean  
You're breaking my heart

I want it all the time  
I want it every night  
I can't stop thinkin'  
Can't stop thikin' 'bout ya  
I'm burning with desire  
My heart is so on fire  
So do take care please be gentle with my heart

Ah, Ah, Ah  
Anything crave it baby, baby, baby  
Ah, Ah, Ah  
I can't get you outta my mind  
Ah, Ah, Ah  
Lovin' you I can't deny  
You're in my heart deep inside  
Everything I do is all about you baby

Whatever you do  
Whatever you think  
I look in your eyes  
You don't know how my heartaches  
Whatever you say  
Whatever could mean  
You're breaking my heart

I may be a fool for you baby  
Well I can't help myself  
Maybe I'm too in love  
What else can I do but go crazy  
For your love boy I'd give anything  
Whatever you do

Whatever you think  
I look in your eyes  
You don't know how my heart aches  
Whatever you say  
Whatever could mean  
You're breaking my heart
