

# You're All I Need

En Vogue

I haven't seen you lately  
But you keep me wondering, where you are?  
Lately I remember the way you were

When all I need is someone who gives  
Someone who's there to love me always  
Baby please, you're all I need  
You no longer cannot hide how I feel inside  
So I'm saying to you  
You're all I need and I got to have you here with me  
I want you baby, yeah

I used to think that maybe  
You'd see all the things I sacrificed  
But lately you've been running out of my life

When all I need is someone who gives  
Someone who's there to love me always  
Baby please you're all I need  
And it hasn't been the same since you want and gone away  
I'm singing  
You, you're all I need, you're all I need  
You're all I need

Don't you know that sometimes I cry  
'Cause you don't know how much you mean to me yeah  
This time I hope you realize, you're all I need  
Yeah yeah yeah yeah  
You're all I need, yeah yeah, I don't wanna let you go, yeah  
Don't you know that you're all I need, yeah  
Don't you know that  
You're all I need, you're all I need
