Drink Myself To Sleep

End of Green

Come closer now here tonight, this ruin we cannot hide, A language we cannot speak, it comes all down on me. So follow me down, my life, I know a place to hide. Come closer and you will see. Comes all down on my own, down on my... I drink myself to sleep, I need another drink, I drown my soul tonight, feels so dead on my own... I drink myself to sleep, I need another dream, I drown my soul tonight... This secret inside I hide, seems better than my whole life. I swallow it down and think, darkness my old fried. Come closer like every night, these alcoholic nights. Come closer and you will see, sudden death on my own, dead on m y own. Come closer, I tell you why, the sober will not survive. I need another drink, let me drown again. The devil is still alive and Jesus will not arise? Show me how to live, seems so dead on my...
