

# I'm Waiting

End of Green

Tears falling down my face  
Tears falling down like rain  
I didnt know what i made wrong

I never know  
your dead and gone

Hey you!  
Can you listen to me

Hey you!  
flowing tears in the rain

Hey you!  
Can you tell me what's right

Hey you! I feel all right

Yeah..

Tears falling down my face  
Tears falling down like rain  
I didnt know what i made wrong

I never know  
your dead and gone

Hey you!  
Can you listen to me

Hey you!  
flowing tears in the rain

Hey you!  
Can you tell me what's right

Hey you!  
I feel all right

I'm waiting  
I'm waiting  
I'm waiting  
I'm waiting  
for you  
for you  
for you  
for you
