

Sick One

End of Green

Same old passion, like Christmas situations, we sit down and we
're talking.

We need help for loving.

You are the cold one, sweet one, sick one.

I have seen my babe crying - dark grows still.

I have seen my babe crying - dark grows still.

Have you seen my babe.

Same old passion, like Christmas situations we sit down and we'
re talking.

About you and nothing.

You are the cold one, sweet one, sick one, stupid one, sad one,
bored one,

Wild one - I have seen my babe cryin...
