## Satan

## **Enforcer**

Armageddon now is here
No tomorrow, final stand
Die in fear and writhe in pain
Hot winds of death across the land

Satan
Satan
Satan
Satan
Let me be one with your force

The final hour is getting near Extinction of the human race Destroyer of the universe Come on now feel death's embrace

Satan
Satan
Satan
Take me and carry me away

[SOLO J-O]

Satan

Satan
Satan
Satan
Let me be one with your force

Take us all you son of evil The hunger is of our insistence Adversary of the world of order Desecrator of the world existence

Satan take me and carry me away!
