

Mother

Enigma

Don't be shy!
I know you need a place to hide.
Mom is here and that's all right!
I'm on your side, on your side.
It is time you cross the river to glory land.
Any dream helps survive!
When you're there, you will see
That's the place you long to be.
Trust me!
This ride is free!

Open up the windows of your mind.
Don't you see it is time
To leave your fears behind.

Come
Follow me
Escape through world of desire and dreams,
desire and dreams
