

The Same Parents

Enigma

We all had the same parents
Many million years ago
Why can't we live in freedom
Without hunger, with no war?

At the beginning we all had
One mother and one father
That's where we're descending from (attention)
I don't, I don't understand why so much hate (attention)

Between races, and religions
It's mad, insane
I don't understand (amazing)
Why it has to be like that? (incredible experience)
