Shit! shit!

I've been hiding here for a thousand years, waiting for your ghost

I've been hiding here for a thousand years, waiting for your ghost

Your life's about to flash before your eyes

Your life's about to flash before your eyes

Stand your ground, this is ancient land

I was guided here by the spirits hand

We shall meet, at hell's gate

This is fate this is fate this is fate this is fate

Not all is lost the spirits shriek

You will be hunted we shall seek

Perseverance, turn the page

We're not hiding we're not hiding

We're not hiding we're not hiding

We're not hiding now we're not hiding now

I'm in the zone

Alright!

And still we will be here,

Standing like statues

And still we will be here,

Standing like statues
