**Bmaj7            Cmaj            Dmin7**

And I know that we still got time  
But I do not think we're invincible  
And I think that there is a sign  
Yeah I do not think we're invincible

**Bmaj7            Gmin7            Amin7**

Crushing all in it's path    (4x)

**Gmin7            Amin7**

Now don't get me wrong  
I love what you done with the place

**Bmaj7            Dmin7**

I just wish i had a chance to help build it

**Gmin7            Amin7**

Instead of just moving into home of disrepair

**Bmaj7            Dmin7**

And expected to work, prosper and then share

**Gmin7            Amin7**

Constantly relying consuming to feel content

**Bmaj7            Dmin7**

But only because we lost touch with this home that we spend

**Gmin7            Amin7**

Trillions of dollars training for our wants  
And not our needs

**Bmaj7            Dmin7**

And now we're growing tired of planting bleary eyed seeds

**Gmin7            Amin7**

Now I'm not saying that we could do better

**Bmaj7            Dmin7**

But we given the chance we try

**Gmin7            Amin7**

We've dig up the Earth find one soil

**Bmin7            Dmin7**

Fill the trench with greedy eyes

**Bmaj7            Cmaj            Dmin7**

And I know that we still got time  
But I do not think we're invincible  
And I think that there is a sign  
Deep breathes, clenched fists  
Here comes another juggernauts

Here comes another Juggernaut!

**Bmaj7            Gmin7            Amin7**

Crushing all in it's path (2x)  
(What the hell will happen now?)
