Outrage!

That's it, I'm going on a rampage
Don't waste my time with any context
I'm gonna ruin all your prospects
I'm gonna pick all your pockets

Fury!

I am the judge and I'm the jury
It's dog eat dog and I'm a pure breed
I'll work you up into a frenzy
But God this baggage is heavy

Meanwhile...

Back at The Dreamer's Hotel
5 stars but all rooms are vacant
Meanwhile...
I can hear alarm bells
Outside they're losing their patience

Cheapshot!

Another tempest in a teapot
I am King Arthur in Camelot
Connected to the hotspot
For 8 days on the trot
Fighting the trolls and the bots

Students!

Nuance ain't nothing but a nuisance
You're either good or you are evil
You play a prick and there's no sequel
And that's the will of the people

Hatred is deaf
And well fed
