

## Divine Coagulation

Enthroned

Forsooth, surely and without doubt  
what is below is similar to what is above  
and what is above is mirrored with the below  
to produce the miracle of one thing

As all things are born from the unique  
the meditation of the single  
as derivation are born from the unique  
when we become "Whole"

Split the Earth from the flames  
what is precious from what is rough  
and rise what is earthly to the skies  
Conquering therefore the light of the white  
and feed the light of the shades

Sole reverser of mentalities  
...the two faces of the divine  
Sole reverser of mentalities  
...the two faces of the end  
Sole reverser of mentalities  
...the two faces of the start  
Sole reverser of mentalities  
...those two faces of mine

It is the strength amongst strengths  
as it is a victorious one  
the elusive which fornicates all that is solid  
and extraneous to my realm,  
a divine coagulation;  
the two faces of the divine
