

## Billy Mays vs Ben Franklin

### Epic Rap Battles Of History

- Benjamin Franklin

I'm big Ben Franklin and this shan't be pretty  
Let me instruct you how we battle in the city of Philly  
You couldn't sell Rick James a bag of crack, you're out of practice  
My victory more certain than death or taxes  
Fact is you're a hack, wack QVC joke  
You peddle soap that cleans bird shit from my windows  
I'll craft a lyrical coffin and then spit the nails in  
Call me Arthur Miller son, cause it's death of a salesman

- Billy Mays

Hi Billy Mays here with a special TV offer  
Watch me crush this bald fat foppish founding father  
I'll take my awesome auger and sow your quaker oats  
I'll shoot your rhymes down like a regiment of red coats  
I'm lord of the pitch and leader in home sales  
You're just a lumpy pumpkin who invented the mail  
Benny's got kite'n key but you're in for a shock  
When I strike you with bolts from my lightning rod cock

- Benjamin Franklin

Stop I protest these intolerable raps  
It takes just one easy payment for me to whoop your ass  
Cause I'm mint I'm money I'm an educated gentleman  
So join or die Bill cause it's all about the Benjamin

- Billy Mays

But wait there's more!

- Vince Offer

You following me camera guy? Cause it's about to get furious  
You're gonna love my nuts until you're bi-focal-curious  
Your boy George chopped down trees you couldn't break a piece of balsa  
Slap chop your face make a double chin salsa  
Your style's so broke they call you Poor Richard  
It's bad enough I got to see you every time I tip a stripper  
Vince against a founding father is just too bad  
Cause after this America is gonna lose a Dad
