

# White Waters

Epica

I see a silhouette, liquid that moves  
Skin like a pearl in the sea  
I cannot resist this, her voice in the wind  
But is it my eyes are deceived?  
Is it you I see?

Lie down in my arms  
Trust what you see  
Smooth your brow, you will be with me  
To find your relief

Gazing at whitecaps, coming so close  
Everything's suddenly clear  
Numb with the aching, and still I am waiting  
The water is pulling me near  
Would you welcome me?

Lie down in my arms  
Try not to breathe  
Quiet love, you are now with me  
You need no words to speak

For my mistakes, I am to blame  
Never believed that it was all meant to fall  
I'd give my life, to have you near once again  
Take me away, would you forgive me?
