Baker, baker, baker boy Bake a girl, bake a boy

They come to me for donuts and blueberry pie They love my creme merengue And my fresh baked rye

Have a tast, have a taste
Help yourself, feel free
It's just you and me
In the fabulous bakery yeah (yeah)

Try the maja-blanca and my leche flan I never use brown sugar or milk from a can

Have a tast, have a taste
Help yourself, feel free
It's just you and me
In the fabulous bakery yeah (yeah)

Last Xmas, papa died in a freak baking accident How i cried Too much flour and too much yeast A costly mistake for the perfect fruitcake

The fabulous baker boy, thats me Yeah, thats me

Have a taste, have a taste
Help yourself, feel free
It's just you and me
In the fabulous bakery yeah (yeah)

good morning mr baker boy good morning to you sir and welcome to the bakery oh thank you but you know as a baker myself I'm always partner what are some your secret ingredients for your fantastic fruitcake? first you have to love what you doing. of course you have to love what you doing of course but ah what else? what actually technical matters you know. first you have to taste it on what you doing. ok I think the next thing you going to say is to smell on what you doing. no next is you have to love yourself and feel free. feel free to do on what part? feel free to have a taste and hop yourself in ahh ok. feel free to taste and to take a bite. this is very very important. yeah! take a bite of a fruitcake but wait a minute before you take a bite of a fruitcake you have to bake a fruitcake first right?! yes starting baking the fruitcake we need fruits correct? aahmm. yes. that is also correct.

thats a nice job yeah! thats a very very good song those fruits came from my friend the fruit fairy ahh he or she aaah she... he lives around the corner around the bend ok ok ok. ok so what else the possible secret for the fruitcake that you made, shall we see oh my good friend the mother packers wait a minute I'm beginning to bother are you treating the one who makes the fruitcake or is it the one that your in I actually order it from the swiss house then I repackaged them here wait a minute wait a minute so that means you don't actually makes a fruitcake? I suppose to be the one who makes the fruitcake?
