Ami

It's bitter without you I can't live without you

F G

And I'm in love with you

2. Stood the test of time

Though I treated you rough
You were always kind
I let my head rule my heart
now I'm feeling so lonely

And I feel it's the deal
You're letting me go gonna go

R: Breathe and I breathe

Hollow without you I can't live without you
And I'm in love with you

R: Breathe I believe

Empty without you I can't live without you
And I'm in love with you

R: Breathe, and I breathe

It's bitter without you I can't live without you
And I'm in love with you

R: Breathe I believe

Empty without you I can't live without you
And I'm in love with you

R: Breathe I believe

I can't live without you I can't live with you
And I'm in love with you
